PARSON TO PERSON

One of the greatest challenges appearing in Scripture is that of Abraham being asked to offer up Isaac. After years of waiting for this promised son, he is now asked to give him up! Abraham didn’t resist or contend with God, but trusted Him and followed through with obedience.

At times we may find ourselves in a God-ordained situation where there seems to be no apparent, logical reason or solution. It is at these times that we must trust that our sovereign Lord will work out even the most difficult of details. Let’s just live our lives as an act of worship, and obey!

Trust in the LORD with all thine heart; and lean not unto thine own understanding. Proverbs 3:5

PASTOR’S PICK

THE FINAL ACT

By Chuck Smith

In The Final Act, Pastor Chuck Smith sets the stage for God’s prophetic plan, providing insight into current world events leading up to one climactic battle that will usher in eternity. Explaining the rapture, the rise of the Antichrist, and conditions that favor the Lord’s soon return, this book is a hard-hitting exposé on the last days of human history.
