***My little children, let us not love in word, neither in tongue; but in deed and in truth. 1 John 3:18***

The gifts of the Spirit, although desirable and powerful, are not the end goal of the Christian walk. God gives them to the church as tools for us to reveal His love to the lost and practice His love among ourselves. Spiritual gifts are practical, not theoretical. They are the dynamic resources we need to love God and neighbor.

**THE FINAL ACT**

**Setting the stage of the end times drama.**

By CHUCK SMITH

What exciting days we are living in! Like observers invited backstage before a play, we can see the director positioning the players and making sure the props are in order. We can feel the excitement in these minutes before He signals for the curtain to rise. This analogy is apt, for God is positioning nations and current events before our very eyes. The world is ready for the curtains to be lifted for the final act. Prepare yourself for the drama of the end times - the reurn of Jesus Christ.

***Each week, the Pastor's Pick selections will be discounted 20% in The Chapel Store!***
