PARSON TO PERSON

“After these things Paul departed from Athens, and came to Corinth; And found a certain Jew named Aquila, born in Pontus, lately come from Italy, with his wife Priscilla; (because that Claudius had commanded all Jews to depart from Rome:) and came unto them. And because he was of the same craft, he abode with them, and wrought: for by their occupation they were tentmakers. And he reasoned in the synagogue every sabbath, and persuaded the Jews and the Greeks.” Acts 18:1-4

The Apostle Paul was purposed to serve our Lord and share the gospel. To provide for his physical needs, during different seasons, he made tents. His primary focus was not his vocation, but to share the good news. I’m confident that Paul did excellent work and glorified the Lord with his hands. The challenge is: Will we allow school, work, and other pursuits be our tent job? As the Lord leads, He uses this training and education to prepare you, but take the things we pursue and make them your tent job.
