PARSON TO PERSON

The fear of the LORD is a fountain of life. (Proverbs 14:27a)

The Bible refers to fearing God ninety times using the terms “fear of the LORD”, “fear the LORD”, “fear of the Lord”, “fear of God”, “fear God”, and “fear your God”. The Bible is full of accounts of people fearing God and others failing to.

This fear of the LORD is not a cowering, begging fear. It is the proper reverence that the creature owes to the Creator and that the redeemed owes to the Redeemer. It is the proper respect and honoring of God. (Guzik)

God’s power, abilities, and knowledge are boundless. His justice is perfect, deserving utmost extreme respect and honor. A healthy fear of God involves some degree of revelation of Him, and trust. Although He has enormous power we trust in His love for us.

Be zealous for the fear of the LORD all the day. (Proverbs 23:17b). *You who fear the LORD, praise Him!* (Psalm 22:23a).

BY MATTHEW RUEGER
