*And also on My menservants and on My maidservants I will pour out My Spirit in those days. Joel 2:29*

The Holy Spirit is still guiding and equipping the church to function like we see in Acts. There were people preaching, teaching, evangelizing, serving, and singing. Some had visions, others dreams. The gift of prophecy was active. Prayer meetings and healings were happening. Folks had regular jobs while some were dedicated to church ministry. They shared stuff, food, and money with each other. Communion and meals were had in homes. People were hurt and even killed but God was worshipped. The body was healthy as members loved God. We are still in the last days when the Spirit of God is poured out as written by Joel and clarified by Peter in Acts 2. Today’s church members glorify God by loving Him and exercising His gifts in His body.

**THE FINAL ACT**

**Setting the stage of the end times drama.**

By CHUCK SMITH

What exciting days we are living in! Like observers invited backstage before a play, we can see the director positioning the players and making sure the props are in order. We can feel the excitement in these minutes before He signals for the curtain to rise. This analogy is apt, for God is positioning nations and current events before our very eyes. The world is ready for the curtains to be lifted for the final act. Prepare yourself for the drama of the end times - the return of Jesus Christ.

*Each week, the Pastor’s Pick selections will be discounted 20% in The Chapel Store!*
