PARSON TO PERSON

Pride is a subtle enemy of our soul. Man displays this characteristic because of our fallen, sinful nature. In the world system, pride is the misguided means to promoting ourselves, and asserting a human-generated agenda. In God’s kingdom, pride is counterproductive. It drives us farther away from God!
(Pride was the downfall of Satan!) We can only have a right relationship with our Creator if we humble ourselves. Our attitude should be one of submission to our Lord, where we don’t rely on our human understanding. If there is any boasting, it should not be about how great we are, but about how great God is!
My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt his name together.

PASTOR’S PICK

TRIED BY FIRE
BY F. B. MEYER

This is an exposition of Peter’s first epistle by an eminent Bible teacher of a bygone age. Meyer was a faithful pastor and popular speaker at various conventions. This is what he himself says about this book: THESE Expositions do not attempt to be critical or exhaustive; but the aim has been to deduce such spiritual exhortations and consolations from the glowing words of the Apostle as will most readily help Christian people in the varied circumstances of daily life.

Each week, the Pastor’s Pick selections will be discounted 20% in The Chapel Store!
