**HAPPY NEW YEAR!**

**PARSON TO PERSON**

*“We spend our years as a tale that is told.” Psalm 90.9*  
*“What is your life? It is even a vapour, that appeareth for a little time and then vanisheth away.” James 4.14*  
 I lost track of time. Where did the time go? Time got away from me. I just don’t have the time. How did you spend your time?  
 We talk of time as if it were something living or tangible, something within our control or that we can maintain or keep. But if you’re like me, you’re looking back over 2019 and wondering, where did it go? Even though time is not something we can hold in our hands it is a commodity. All of us, to some degree have the same amount of time in our accounts, we don’t know how much any of us has here on Earth. We can’t control time or make time but we can “take” time and make the best use of time for the glory of the Lord. We are all looking at a New Year ahead, 2020 and a leap year at that, which means we have an extra day. ***“But this I say, brethren, the time is short...” 1 Corinthians 7.29***

May the Lord give us great wisdom in ways to spend this limited and precious resource of time. Happy New Year!!

Pastor Jeff Gallatin

**PASTOR’S PICK**

**PARENTING WITH WORDS OF GRACE**

BY WILLIAM P. SMITH

As a parent, your words are powerful. What you say and how you say it has the potential to either invite your children into deeper relationship with you or push them away. Your words represent—or misrepresent—God’s words to his children— meaning they have the power to shape how your children view their heavenly Father. This book is a practical guide to help with using words of grace.

***Each week, the Pastor’s Pick selections will be discounted 20% in The Chapel Store!***
