### **MEDICARE OPEN ENROLLMENT**

Medicare Parts A&B, plus TRICARE For Life, provide sufficient coverage for the vast majority of military retirees and surviving spouses, so they will not need a Medicare Advantage Plan. However, some retirees and surviving spouses may qualify for no-fee plans, plus potentially other free services, especially if they are considered to be low income. Medicare open enrollment is now through December 7<sup>th</sup>. Go to [https://www.medicare.gov/plan-compare/?utm\\_campaign=20211015\\_oep\\_mpf\\_gsm&utm\\_content=english&utm\\_medium=email&utm\\_source=govdelivery#/questions?year=2022&lang=en](https://www.medicare.gov/plan-compare/?utm_campaign=20211015_oep_mpf_gsm&utm_content=english&utm_medium=email&utm_source=govdelivery#/questions?year=2022&lang=en) to learn about if Original Medicare, a Medigap Plan or a Medicare Advantage Plan may be right for you.

### **DENTAL & VISION OPEN ENROLLMENT FOR MILITARY RETIREEES & SURVIVORS**

Most military retirees and survivors are eligible for FEDVIP dental and vision plans. **Open enrollment begins November 8<sup>th</sup>, and ends at Midnight EST on December 13<sup>th</sup>.** Coverages and rates vary by plan, and changes to both coverages and rates will change for 2022. Go to <https://www.benefeds.com/tools/search-plans> to see what plans are available where you live, and to decide which plan is best for you and your family.

### **ARE YOU READY?**

It is getting colder outside. Soon the roads will get icy (watch out for that black ice), and the snow will begin to fall. Is your vehicle ready for winter? Don't procrastinate, especially when it comes to tires. Be safe for you and those around you. Make sure you have good tires: snow, all-season, or as a minimum great treaded regular tires.

### **MYPAY TWO-FACTOR AUTHENTICATION IS NOW MANDATORY**

myPay's Two-Factor Authentication became mandatory for all myPay accounts on April 27, 2021. When accessing your account, you are required to select your preferred method (mobile phone or email) to receive a random one-time PIN when using your Logon ID and password. More information on myPay's Two-Factor Authentication is available at <https://www.dfas.mil/mypayinfo/2FA/>

**YOUR MYPAY ACCOUNT:** Your life will be much easier if you have a *myPay* account. ### **NEW DFAS MYPAY ACCOUNTS FOR GRAY AREA RETIREEES**

For Army National Guard, Air National Guard, Army Reserve, Navy Reserve, Marine Corps Reserve and Air Force Reserve Gray Area Retirees, there is a new avenue to stay connected and informed between the time they stop drilling and the time they start receiving retired pay. It's a new kind of **myPay account** especially for Gray Area Retirees. Go to <https://www.dfas.mil/RetiredMilitary/plan/Gray-Area-Retirees/fbclid/IwAR1vEAtgsHSxsF4-F1hQaVeZ-jFTGkGIYHcmRcu3UPInzDxeLS2clxn1tFo/> to learn all about this new type of account and how to enroll.

### **DEFENSE FINANCE & ACCOUNTING OFFICE (DFAS)**

Retirees, dependents, and surviving beneficiaries can find everything they need to know about retirement and annuitant pay at <https://www.dfas.mil/RetiredMilitary/> Retirees need to check their retired pay account often, and update their account information when needed. Keeping your account up-to-date includes making sure your mailing address, email address, banking information, and your beneficiaries are current. Events such as divorce or remarriage change the beneficiary status of your account. If you have not notified DFAS of changes like this, you may have an invalid beneficiary designation. **In the event of your death, failure to have an updated account could create a financial hardship for your loved ones.** Find out more at <http://go.usa.gov/xftby>
