COMMUNION

PASTOR SCOTT

PARSON TO PERSON

Dear Brothers & Sisters,

The great historian Edward Gibbon in the “The History of the Decline and Fall of the Roman Empire” writes:

- 1. First step towards decline: the undermining of the dignity and sanctity of the home which is the basis of human society.
- 2. Second step: higher and higher taxes; spending of public money for free bread and circuses (entertainment) for the populace.
- 3. Third: the mad craze for pleasure & sports becoming every year more exciting, brutal and more immoral.
- 4. Fourth: the building of great armaments when the real enemy is within. The decay of individual responsibility.
- 5. Fifth: the decay of religion; fading into a mere form, losing touch with life, losing power to guide the people.

Does this sound familiar? We are reminded in Jude: *“But ye, beloved, building up yourselves in the love of God, looking for the mercy of Our Lord Jesus Christ unto eternal life.” Jude 1:20*

Dont lose hope Jesus is coming! Amen! -Pastor Tony Falcione

PASTOR’S PICK

ANOTHER GOSPEL?
BY: ALISA CHILDERS

Another Gospel? describes the journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith. After everything she had ever believed about God, Jesus, and the Bible had been picked apart, she found herself at the brink of despair until God rescued her, helping her to rebuild her faith, one solid brick at a time.

In a culture of endless questions, you need solid answers. If you or someone you love has encountered the ideas of progressive Christianity and aren’t sure how to respond, Alisa’s journey will show you how to determine—and rest in—what’s unmistakably true.

Each week, the Pastor’s Pick selections are discounted 20% in The Chapel Store!
