PARSON TO PERSON

Dear Brothers and Sisters,

The enemy loves nothing more than to get us caught up in petty squabbles and differences. We must come to realize we are in a battle for souls, not flesh and blood.

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” Ephesians 4:12

Let us set aside differences and get into the real battle next to our captain Jesus. Remember He conquered Satan through His death and resurrection.

Prayer and the Word are our weapons of warfare!

-Pastor Tony Falcione

PASTOR'S PICK

WHY GRACE CHANGES EVERYTHING
BY: CHUCK SMITH

Grace. It's a word we all love to hear. But do we all know what it means? Without it, our lives are dry and dusty. But when grace comes, it transforms our lives into something rich and beautiful. With remarkable insight gleaned from his own life, Pastor Chuck Smith unfolds the mystery of grace and reveals the surprising truth: We can never grow in grace by our own efforts. True grace flows from the heart of the Father through the love of Jesus Christ. To know that God is for you, that He loves you, is the greatest source of security you will ever know. That is grace-and that is what makes life worth living.

Each week, the Pastor's Pick selections are discounted 20% in The Chapel Store!
