PASTOR’S PICK

GLOBAL RESET

BY: MARK HITCHCOCK & JEFF KINLEY

Prepare yourself spiritually and arm yourself with information. Find answers to the questions everyone should be asking about current world events and how they may be ushering in Christ’s return. Global Reset will open readers’ eyes and alert them to how world leaders are using the “Great Reset” agenda to seize pandemics, natural disasters and catastrophes, civil disorder, political unrest, and other current events to reshape every facet of life—all pointing toward the universal economy and godless global government of the Antichrist.

Each week, the Pastor’s Pick selections are discounted 20% in The Chapel Store!
