PARSON TO PERSON

One of the most frustrating things about news reports is trying to discern what is true and what is not. Fake news seems to be common, whether it is a misleading headline, a one-sided take that lacks objectivity, or just plain lies. The Lord is certainly wants us to know the truth! False prophets are deadly because they claim to speak for God when they are actually tools of Satan to lead others spiritually astray. We need to check out what we hear with God’s Word so that we won’t be deceived!

“Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world.” 1 John 4:1
